

Agudas Israel Congregation

Goes Green!

Agudas Israel is **“Going Green”!** On July 9, 2024, the AIC Board of Directors unanimously passed a Resolution to Reduce Our Environmental Footprint.

Under the resolution, we will create a congregational “Green Team.” It will be an informal group that will help shape the ways we reduce, reuse, and recycle, making us impactful stewards of our environment.

Join the Green Team Today

Be a part, share your ideas, and have some fun. Reach out to Jay Naparstek at jnaparstek@msn.com and tell him you want to **Go Green.**

Be sure to watch your email for details about the first Green Team meeting, which will be in August.
